
Testimonio Noes Afirmación Preferencias Lopetegui Martín

lauta conireras martínc;, 2007, 6leo sobre tela, 82 x 100 cni. - rio de esta sencilla afirmación es claramente inaceptable, porque una obra literaria es creación, no repetición. no ofrece el mismo modo de ver las cosas. la visión de realidad que subyace en ella no es una iteración. dichode otra manera, la teoría no puede ser del todo previa a la elaboración de una obra literaria, tampoco a su lectura. en este caso la teoría no está fuera del texto ...
